

SHOW INFORMATION

The cross country is available to walk on Saturday 27th April from 2-7pm and on Sunday morning before the competition starts. For those who cannot make either of these times (and are jumping late on Saturday) we will organise a course walk time at approx. 1.30pm. We regret that due to safety reasons we are not able to allow course walking while the competition is underway.

Show Jumping can be walked throughout the day at the start of each group of riders (riders are batched in one hour groups). Please ask the ring steward for further information.

The dressage times are set every 7 minutes but for the show jumping and cross country riders will be issued with a time slot (most are one hour). Riders must declare to the relevant ring steward to put their number on the board in sufficient time that they will be able to jump in their allocated slot.

Cross country is judged with an optimum time (set at a steady hunting canter). Faults will be awarded as 20 for the first refusal, 40 for the second refusal and an elimination for 3 refusals or a fall. In the event of an elimination riders be asked to move onto the next fence or leave the course at the nearest exit (on foot, leading the horse if it was a rider fall). This will be indicated by a whistle blown by the nearest jump judge. A time limit of 20 seconds will be allowed for horse and rider to enter the water. If unable to enter the water within the 20 second time limit, the rider will incur 50 faults and will be asked to move onto the next fence.

Riders must wear a body protector and hat without a fixed peak for the cross country.

OPTIONAL WATER – the water will be optional for all classes. There will be an alternative LONGER route for those who either choose not to attempt the water OR those who incur faults at the water and are unable to go through it
